Minutes of September 20th, 2026

Camp #15 Meeting

We met at the National Civil War Museum, Educational Gallery, in Harrisburg, PA., Sunday September 20th, 2026. The weather was partly cloudy, and it was 73 degrees.

Camp #15 Commander, Brother Kyle Purchase was running late. At 2:05 P.M. Sr. Vice Commander Logan Swanger opened the meeting according to the SUVCW Ritual! Hooray, there were enough Brothers present for a quorum to conduct camp business. Later Commander Brother Purchase arrived.

The following Brothers were present:

1. Kyle Purchase – Camp Commander.
2. Logan Swanger- Sr. Vice Camp Commander
3. Scott Debo- Jr. Vice Commander. (Absent)
4. Wayne Blattner – Secretary and Council #2.
5. David W. Demmy Sr. – Treasurer.
6. Jeffery Smith – Council #1, Chaplain, and Patriotic Instructor.
7. Charles Brackbill, Counselor and Council #3.
8. Gene Mascioli- PCC.
9. Our newest Brother, Jake Lemon.

We also had one guest, Mike Milliken. Welcome Mike! Hopefully you would like to join our Camp!

Camp Meeting notes and Minutes.

The last "official" Camp #15 Minutes from April 19th, 2026, meeting was published in the May 2026 *Hartranft Herald*. At the May meeting there was not a quorum of Camp #15 members present for this meeting. (Camp #15 does not meet June through August). Hopefully at our September 20th, 2026, Camp meeting they will be reviewed and approved, along with any of the informal notes.

Taken this situation into account, Brother Jeff Smith made a motion to accept past "non quorum" meeting notes and observations, as a part of our records, and will be addressed at today's meeting.

Charles Brackbill seconded this motion. Motion passed.

Treasurer's Report:

Brother David Demmy Sr., shared with the Camp the current balance of our accounts. In round figures: Checking account - \$900 dollars, Savings account - \$1000, CD's total - \$13,000. Rainyday fund, a few bucks*

Brother David reported the 3 Product License's that we have with National have been renewed. One is for the themed Colorful SUVCW License Plate, and the Brass SUVCW Belt Buckle we sell thru the year. This renewal procedure happens every two years. The 3rd item is our Camp Shirts with SUVCW. All 3 up for renewal 2028. Nat'l Secy will send renew notices to camp 15 during 2028.

Treasurer, Brother David Demmy explained the story* behind "The Larry Fund". Upon the passing of PCC Brother Larry Scheibly a few years ago, his estate issued a memorial gift of \$10,000 to Camp #15. The original funds were placed into a separate fund outside of checking and savings. Funds have been used over the years for purchasing CDs, providing for guest speakers. We tap this account occasionally as needed. It is down now to around \$5,000. Brother David recommends "Council" review options on where to move "The Larry Fund", forward for the possibly of a better monetary return. One Recommendation: Money Market account? Brother Gene made a motion to accept the Treasurer's Report. Brother Jeffery seconded the motion. Motion passed.

Communications and Orders.

Brother David Demmy Sr. always emails all Brothers the latest Department and National Orders. Brothers, please review them. There were no questions about the most recent Orders.

The Report of a sick Brother or a Brother's family in distress:

Prayers are for Bother Scott Debo, and Mrs. Diane (Gracie) Debo, who have recently been hospitalized, and hopefully they are on the mend.

Note: Brothers, in the red text below please refer to the published "Agenda for the September 20th Camp Meeting", authored by Commander Kyle Purchase.. Copies of this "Agenda" were e-mailed to all members before today's meeting. Also, Brothers Wayne and David made hard copies of the "Agenda" to hand out to those attending. Please follow the Commander's three sheets of the Agenda top to bottom, sheet by sheet. Thanks, Bro. Wayne.

Unfinished / Old Business:

"Memorial Day Re-cap". See the "Summertime" and "September" issues of the Hartranft Herald for details and photos. This also refers to the PA Department & National Encampment Recap's, and the details for Camp #15 Christmas Party.

There is a need for an Assistant Treasurer. Council member Jeffrey Smith stepped forward to doing this task. He will work closely with David Demmy Sr. to become familiar with this task. Thank you Jeffrey.

Basic details about this year's Christmas Party on Saturday December 12, 2026, at Hoss's in Mechanicsburg. The time is 11:30 am. RSVP as soon as possible to execdir@sucw.org. Everybody is invited [brothers and sisters and family].....

Jacob Lemon was officially voted into Camp #15. David Demmy Sr. made a motion, and it was seconded by Chuck Brackbill All were in favor, motion passed.

Commander Kyle has arrived. Thanks Logan for filling in!

Jacob's initiation then took place with Commander Purchase & Chaplain Jeffrey Smith presiding. Welcome Jacob!

Elections will be held at the October 18th meeting. All Brother's please be present for this meeting and come and support our elected Officers.

New Business

Today Camp #15 voted to modify a section of our Camp Bylaws. "It's to be moved that Article 1, Section 2 of the Bylaws of the Sons of Union

Veterans of the Civil War Camp #15 be amended by deleting the existing language of that Section and substituting therefor the following: Section 2. Three officers, or two officers and one member, present at any regularly scheduled meeting shall constitute a quorum”.

In reference to the above change, Brother Chuck Brackbill made a motion, and Brother David Demmy Sr. seconded it to amend this Section. Motion passed. Official paperwork was signed by Camp Commander Kyle Purchase, Camp Secretary Wayne Blattner. David Demmy Sr. instructed Brother Wayne to send this paperwork to Department Commander Brother Mike Peter for his review and signature. Once signed by Commander Peter, and he is to keep one copy for himself and return the original to Brother Wayne for Camp #15's records.

Additional items under New Business being Gravestone Cleaning and Volunteer/Recruiting opportunities. with collaboration of the SAR., and the PRVCHS.

Gravestone cleaning opportunities, and work is needed at Lincoln Cemetery, Ashland Cemetery, and Mt. Zion Cemetery in Boiling Springs on October 17th.

Saturday November 7th, Community Free Day at the Civil War Museum, 10 am to 4 pm. Camp #15 will have a table. Come join us even if it is for 1 hour or 2. Your camp would like 4-5 brothers to man the table off and on during the event. Please wear your camp shirt. RSVP as soon as possible to execdir@suvchw.org

SUVCW Grave Markers are available through the organization's Quarter Master's Store. Kyle provided a long list of past Camp #15 Commander's for possible marker installation. This action could be tied into Camp #15 145th Anniversary coming up in the near future?

Nominations of Camp Officers for 2027. All the current Officers were re-nominated, and they chose to run for their respective positions for 2027. To see the rundown of the Brother's nomination, check page 1 of the current *Hartranft Herald*. Elections will take place at the October 18th, 2026, meeting.

There are Social media idiosyncrasies dealing with Camp #15 It deals the Facebook and Instagram accounts we use to keep all Brother's up to date on the events and programs we are involved in. Some challenges need to be resolved.

PA. Department SUVCW "Mid-Year Meeting" details. It will take place on Saturday October 24th in New Bedford, PA. at Hoss's.

Remembrance Day in Gettysburg, on Saturday November 14. The parade and other events are hosted by the SUVCW.

Wreath's Across America will be held on Saturday, December 19th. Look for local listings online.

In 2027 Camp #15 will be 145 years old. Refer to Commander Purchase's agenda he prepared for today's meeting. Many great ideas for our up-and-coming celebration(s).

Commander Kyle shared he currently purchased some letters that were written by General John F. Hartranft.

Adjournment took place at 4:17 P.M. Commander Purchase closed the meeting using the SUVCW Ritual. Next meeting will be on October 18th, 2:00 P.M. in Harrisburg P.A., at the Civil War Museum. upper level.

Respectively Submitted, In F.C. & L.,
Wayne N. Blattner,
Camp Secretary.

Thanksgiving 1943

Homemakers preparing Thanksgiving dinner in 1943 not only had to be creative cooks but clever mathematicians.

Two years into World War II, rationing had become the law of the land to ensure ample materials for the war effort and fair distribution of limited goods to consumers. Along with checking prices, shoppers had to calculate ration points to make sure they stretched to cover the family's needs.

Favorite holiday recipes were discarded if they were too rich in rationed ingredients. Substitute recipes were created. For cooks who couldn't get mincemeat filling for the traditional holiday pie, a recipe for victory mince pie using spiced apples and carrots was offered.

In November 1943, shoppers found these prices: a 16-ounce can of Del Monte peas, 15 cents and 16 points; a 12-ounce can of Niblett's corn, 13 cents and 10 points; a 16-ounce can of Ocean Spray cranberry sauce, 17 cents and 10 points; and a pork loin roast, 30 cents per pound and 7 points per pound.

Each family member was entitled to a point ration book. Stamps were issued in denominations of 1, 2, 5 and 8 points. Retailers could not give stamps as change, so shoppers had to keep track of purchases and present the exact amount.

Stamps had letters identifying the ration period and were color-coded to designate the category, i.e. meats or canned goods. The government also raised point values if a product became scarce or lowered the points if an ample supply was on the market.

Rationing regulations prohibited trading in loose stamps. The grocer had to watch as each shopper removed stamps from a rationing book.

Ration stamp calendars were published regularly in newspapers. The cost of food was controlled by the federal Office of Price Administration, which set a ceiling on prices charged by retailers.

The OPA ceiling price on turkeys in Dauphin, Cumberland, Lebanon and Perry counties for Thanksgiving, Nov. 25, 1943, was 63 cents a pound for birds up to 13 ½ pounds and 59 cents a pound for larger birds.

Fearing a shortage of turkeys, enforcement officers with the District OPA warned retailers they would be checking to ensure that prices were kept within OPA limits and no black market sales occurred.

Turkeys were reported scarce at markets Nov. 20, as dealers apparently decided to withhold stock until Thanksgiving eve or Christmas. Large grocery chains were low on stock, with one store manager reporting receiving only 75 percent of the 1942 supply.

The suggestion was made that cooks postpone the big Thanksgiving meal until the following Sunday to force release of turkeys by growers.

Perhaps some residents took the suggestion to heart or substituted large chickens because by Thanksgiving eve retailers were faced with a surplus. Some lowered prices, but many closed their shops with birds on hand.

The average price of a Thanksgiving dinner with all the trimmings in 1943 was \$11.50 compared with \$10.50 in 1942; \$8 in 1941; and \$6.50 in 1940.

While prices were up, so were wages in Pennsylvania. The average weekly paycheck rose from \$39.49 in August 1943 to \$39.57 in October. Workers in the manufacturing sector earned an average weekly wage of \$45.63 while those in radio broadcasting took home \$57.75 a week.

Wartime shortages cut into the Girl Scouts annual cookie sale in 1943. Local scouts had received orders for 25,000 boxes of cookies, but bakers could only fill 16,000 orders. Chocolates were substituted for the remaining 9,000 orders.

Food was just one commodity affected by rationing. Early in 1943, shoe rationing went into effect. Clothing styles were trimmer to conserve

dress and suit material. Rubber was scarce. So were rubber boots.

Home-heating oil was rationed with allowances set at maintaining a temperature of 65 degrees in a home.

With gasoline and tire rationing curtailing automobile travel, residents made Thanksgiving visits using public transportation. New York Central Railroad reported a 60 percent increase in Thanksgiving travel over 1942. Reservations were filled on the Pennsylvania Railroad. Airlines seats were sold out.

Patriotic citizens supported the war effort wholeheartedly, responding to requests for vital material. Families donated heirloom pewter which was needed to build airplanes. Capital Bakers removed steel bumpers on its fleet of more than 200 trucks and replaced them with wood bumpers.

Housewives collected kitchen fat in tin cans and took them to meat dealers. The fat was used to make gunpowder to -- as one promotional ad put it -- "blast the Axis gangsters off the face of the earth."

Harrisburg residents were generous to the war victims overseas and donated 50 tons of used clothing earmarked for Russia. Retailers added 12 tons of new clothes.

"Harrisburg's observance of the second Thanksgiving Day of World War II was tempered with an air of sadness," *The Evening News* reported. "While families returned thanks for the many blessings and privileges they enjoy, vacant chairs at the table indicated the absence of some loved one in the armed forces at home or abroad on the fighting front."
